RECITALS

WHEREAS, Lessee desires to lease from Lessor certain equipment described in the schedules to this Agreement, substantially in the form of Exhibit A hereto, that are executed from time to time by the parties hereto (such schedules are hereby incorporated herein and are hereinafter collectively referred to as the "Schedules", and the items of equipment leased to Lessee hereunder, together with all substitutions, proceeds, replacement parts, repairs, additions, attachments, accessories and replacements thereto, thereof or therefore, are hereinafter collectively referred to as the "Equipment") subject to the terms and conditions of and for the purposes set forth in this Agreement.

WHEREAS, the relationship between the parties shall be a continuing one and items of equipment may be added to or deleted from the Equipment from time to time by execution of additional Schedules by the parties hereto and as otherwise provided herein.

WHEREAS, Lessee is authorized under the constitution and laws of the State to enter into this Agreement for the purposes set forth herein.

NOW, THEREFORE, for and in consideration of the premises hereinafter contained, the parties hereby agree as follows:

ARTICLE I. REPRESENTATIONS, WARRANTIES AND COVENANTS OF LESSEE

Section 1.01. Lessee represents, covenants and warrants, for the benefit of Lessor and its assignees, as follows:

- (a) Lessee is a public body, corporate and politic, duly organized and existing under the Constitution and laws of the State.
- (b) Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a body corporate and politic. Lessee is a political subdivision of the State within the meaning of Section 103(a) of the Code or a constituted authority authorized to issue obligations on behalf of a state or local governmental unit within the meaning of the regulations promulgated pursuant to said Section of the Code.
- (c) Lessee has full power and authority under the Constitution and laws of the State to enter into this Agreement and the transactions contemplated hereby, and to perform all of its obligations hereunder.
- (d) Lessee has duly authorized the execution and delivery of this Agreement by proper action by its governing body at a meeting duly called, regularly convened and attended throughout by the requisite majority of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the enforceability of this Agreement.
- (e) Lessee has complied or will comply with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Equipment.
- (f) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing one or more essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee's authority and will not be used in a trade or business of any person or entity other than Lessee.
- (g) During the Lease Term, Lessee will annually provide Lessor with current financial statements, budgets, proof of appropriation for the ensuing fiscal year and such other financial information relating to the ability of Lessee to continue this Agreement as may be reasonably requested by Lessor.
- (h) The Equipment will have a useful life in the hands of Lessee that is substantially in excess of the Original Term and all Renewal Terms.
- (i) The Equipment is, and during the Lease Term will remain personal property and when subjected to use by the Lessee, will not be or become fixtures.

- (p) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting Lessee, nor to the best knowledge of Lessee is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Agreement or any other document, agreement or certificate which is used or contemplated for use in the consummation of the transactions contemplated by this Agreement or materially adversely affect the financial condition or properties of Lessee.
- (q) All authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by Lessee of this Agreement or in connection with the carrying out by Lessee of its obligations hereunder have been obtained.

ARTICLE III. LEASE TERM

Section 3.01. Lease of Equipment. Lessor hereby demises, leases and lets to Lessee, and Lessee rents, leases and hires from Lessor, the Equipment listed in each Schedule in accordance with this Agreement and that Schedule for the Lease Term for the Lease of which that Schedule is a part. The Lease Term for each Lease may be continued at the end of the Original Term or any Renewal Term for an additional Renewal Term; provided, however, that at the end of the Original Term and at the end of each Renewal Term, Lessee shall be deemed to have continued that Lease for the next Renewal Term unless Lessee shall have terminated that Lease pursuant to **Section 4.05** or **Section 5.04**. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the Schedules. Lessor hereby covenants to provide Lessee during the Lease Term with quiet use and enjoyment of the Equipment, and Lessee shall during the Lease Term peaceably and quietly have and hold and enjoy the Equipment, without suit, trouble or hindrance from Lessor, except as expressly set forth in this Agreement.

Section 3.02. Continuation of Lease Term. Lessee currently intends, subject to **Section 4.05**, to continue the Lease Term for each Lease through the Original Term and all of the Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the Lease Term for each Lease can be obtained. The responsible financial officer of Lessee shall do all things lawfully within his or her power to obtain and maintain funds from which the Rental Payments may be made, including making provision for the Rental Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of Lessee and to exhaust all available reviews and appeals in the event such portion of the budget is not approved. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds or to extend a Lease for any Renewal Term is solely within the discretion of the then current governing body of Lessee.

Section 3.03. Return of Equipment on Termination. Upon expiration or earlier termination of any Schedule under any provision of this Agreement at a time when Lessee does not exercise its option to purchase the Equipment described in that Schedule under the provisions of this Agreement, Lessee shall deliver, at Lessee's expense, the Equipment described in that Schedule to Lessor in the same condition as existed at the Commencement Date, ordinary wear and tear expected, packaged or otherwise prepared in a manner suitable by shipment by truck or rail common carrier at a location specified by Lessor.

Section 3.04. Conditions to Lessor's Performance under Schedules. As a prerequisite to the performance by Lessor of any of its obligations pursuant to the execution and delivery of any Schedule, Lessee shall deliver to Lessor the following:

- (a) A Lessee Resolution executed by the Clerk or Secretary or other comparable officer of Lessee, in substantially the form attached hereto as Exhibit B, completed to the satisfaction of Lessor;
- (b) An Opinion of Counsel to Lessee in substantially the form attached hereto as Exhibit C respecting such Schedule and otherwise satisfactory to Lessor;
- (c) All documents, including financing statements, affidavits, notices and similar instruments, in form satisfactory to Lessor, which Lessor deems necessary or appropriate at that time;
- (d) Such other items, if any, as are set forth in such Schedule or are reasonably required by Lessor.

This Agreement is not a commitment by Lessor to enter into any Schedule not currently in existence, and nothing in this Agreement shall be construed to impose any obligation upon Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion.

Lessee will cooperate with Lessor in Lessor's review of any proposed Schedule. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.

ARTICLE IV. RENTAL PAYMENTS

Section 4.01. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of Lessee.

Section 4.02. Payment of Rental Payments. Lessee shall pay Rental Payments, from any and all legally available funds, in lawful money of the United States of America, exclusively to Lessor or, in the event of assignment by Lessor, to its assignee, in the amounts and on the dates set forth in each Schedule. Rental Payments shall be in consideration for Lessee's use of the Equipment during the applicable year in which such payments are due. The Rental Payments will be payable without notice or demand at the office of Lessor (or such other place as Lessor may from time to time designate in writing). If any Rental Payment or other sum payable under any Schedule is not paid when due, Lessee shall pay to Lessor accrued interest on such delinquent amount from the date due thereof until paid at the lesser of 18% or the maximum rate allowed by law. In the event that it is determined that any of the interest

components of Rental Payments may not be excluded from gross income for purposes of federal income taxation, Lessee agrees to pay to Lessor promptly after any such determination and on the date of each Rental Payment thereafter an additional amount determined by Lessor to compensate Lessor for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive absent manifest error.

Section 4.03. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. Each Schedule will set forth the interest component and the principal component of each Rental Payment during the Lease Term.

Section 4.04. Rental Payments to be Unconditional. The obligations of Lessee to make payment of the Rental Payments required under this Article IV and other sections hereof, and to perform and observe the covenants and agreements contained herein, shall be absolute and unconditional in all events, except as expressly provided under this Agreement. Notwithstanding any dispute between Lessee and Lessor, any Vendor or any other dispute between Lessee and Lessor, any Vendor or any other person, Lessee shall make all payments of Rental Payments when due and shall not withhold any Rental Payments pending final resolution of such dispute, nor shall Lessee assert any right of set-off or counterclaim against its obligation to make such payments required under this Agreement. Lessee's obligation to make Rental Payments during the Original Term or the then-current Renewal Term for each Schedule shall not be abated through accident or unforeseen circumstances.

Section 4.05. Non appropriation. Lessee is obligated only to pay such Rental Payments under this Agreement (and any additional amounts due hereunder, if applicable) as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current fiscal year. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under a Lease following the then current Original Term or Renewal Term, that Lease shall be deemed terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver written notice to Lessor of such termination at least 60 days prior to the end of the then current Original Term or Renewal Term, but failure to give such written notice shall not extend the term beyond such Original Term or Renewal Term.

ARTICLE V. TITLE TO EQUIPMENT; SECURITY INTEREST; OPTION TO PURCHASE

Section 5.01. Title to the Equipment. Upon acceptance of the Equipment by Lessee, title to the Equipment and any and all additions, repairs, replacements or modifications shall vest in Lessee, subject to the rights of Lessor under this Agreement; provided that title to the Equipment that is subject to any Lease shall thereafter immediately and without any action by Lessee vest in Lessor, and Lessee shall immediately surrender possession of that Equipment to Lessor, upon (a) any termination of that Lease other than termination pursuant to Section 5.04, or (b) the occurrence of an Event of Default with respect to that Lease. It is the intent of the parties hereto that any transfer of title to Lessor pursuant to this Section shall occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. Lessee shall, nevertheless, execute and deliver any such instruments as Lessor may request to evidence such transfer.

Section 5.02. Security Interest. To secure the payment of all Lessee's obligations under this Agreement, Lessee grants to Lessor a security interest constituting a first lien on (i) the Equipment and on all additions, attachments, accessories, that are considered to be an integral part of the equipment, and substitutions thereto, and on any proceeds there from, and (ii) the acquisition fund established under any Escrow Agreement entered into in connection therewith. Lessee agrees to execute such additional documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. Lessee hereby authorizes the filing of financing statements under the Uniform Commercial Code in connection with the security interest granted hereunder.

Section 5.03. Personal Property. Lessor and Lessee agree that the Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

Section 5.04. Option to Purchase. Lessee shall have the option to purchase Lessor's interest in all (but not less than all) of the Equipment described in any Schedule, upon giving written notice to Lessor at least 60 (but not more than 180) days before the date of purchase, at the following times and upon the following terms:

- (a) On the date of the last Rental Payment set forth in that Schedule (assuming this Agreement is renewed at the end of the Original Term and each Renewal Term), if the Agreement is still in effect on such day, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus One Dollar;
- (b) On the last day of the Original Term or any Renewal Term then in effect, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus the then applicable Purchase Option Price set forth in that Schedule; or
- (c) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in that Schedule on the day specified in Lessee's written notice to Lessor of its exercise of the purchase option upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule, including, without limitation, interest accrued to the date of payment, plus the then applicable Purchase Option Price set forth in that Schedule.

ARTICLE VI. DELIVERY, MAINTENANCE; MODIFICATION; TAXES; INSURANCE AND OTHER CHARGES

Section 6.01. Delivery, Installation and Acceptance of Equipment. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the locations specified in the Schedules and pay any and all delivery and installation costs in connection therewith. When the Equipment listed in any Schedule has been delivered and installed, Lessee shall immediately accept such Equipment and evidence said acceptance by executing and delivering to Lessor an Acceptance Certificate in the form attached hereto as Exhibit D.

Section 6.02. Location; Inspection. Once installed, no item of the Equipment will be moved from the location specified for it in the Schedule on which that item is listed without Lessor's consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 6.03. Maintenance of Equipment by Lessee. Lessee agrees that at all times during the Lease Term Lessee will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment in good repair, working order and condition, and that Lessee will from time to time make or cause to be made all necessary and proper repairs, replacements and renewals. Lessor shall have no responsibility in any of these matters, or for the making of improvements or additions to the Equipment. Lessee shall not make material modifications to the Equipment without the prior consent of Lessor.

Section 6.04. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all liens, charges and encumbrances except those created by this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and, therefore, that the Equipment will be exempt from all taxes presently assessed and levied with respect to personal property. In the event that the use, possession or acquisition of the Equipment is found to be subject to taxation in any form (except for income taxes of Lessor), Lessee will pay, as the same respectively come due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Equipment and any equipment or other property acquired by Lessee in substitution for, as a renewal or replacement of, or a modification, improvement or addition to the Equipment, as well as all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment; provided that, with respect to any governmental charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as have accrued during the Lease Term. Lessee will take no action that will cause the interest portion of any Rental payment to become includable in gross income of the recipient for purposes of federal income taxation under the Code, and Lessee will take, and will cause its officers, employees and agents to take, all affirmative action legally within its power to prevent such interest from being includable in gross income for purposes of federal income taxation under the Code. Lessee acknowledges that Lessor's yield with respect to this Agreement is dependent upon the interest component of each Rental Payment being excluded from Lessor's income pursuant to the Code.

Section 6.05. Provisions Regarding Insurance. At its own expense, Lessee shall maintain (a) casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required

by Lessor, in an amount at least equal to the replacement cost of the Equipment, (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self-insure against the risks described in clauses (a) and (b); provided further that, if Lessor provides such consent Lessee shall provide to Lessor information with respect to such self-insurance program as Lessor may request from time to time. All insurance proceeds from casualty losses shall be payable as hereinafter provided. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term. All such casualty and liability insurance shall be with insurers that are acceptable to Lessor, shall name Lessor as a loss payee and an additional insured, respectively, and shall contain a provision to the effect that such insurance shall not be canceled or modified materially without first giving written notice thereof to Lessor at least 30 days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor as their respective interests may appear.

Section 6.06. Advances. In the event Lessee shall fail to maintain the full insurance coverage required by this Agreement or shall fail to keep the Equipment in good repair and operating condition, Lessor may (but shall be under no obligation to) purchase the required insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefore by Lessor shall constitute additional rent for the then-current Original Term or Renewal Term, and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the date advanced until paid at the rate of 18% per annum or the maximum interest rate permitted by law, whichever is less.

ARTICLE VII. DAMAGE, DESTRUCTION AND CONDEMNATION: USE OF NET PROCEEDS

Section 7.01. Risk of Loss. Lessee is responsible for the entire risk of loss of or damage or destruction to the Equipment. No such loss, damage or destruction shall relieve Lessee of any obligation under this Agreement or any Lease.

Section 7.02. Damage, Destruction and Condemnation. If (a) the Equipment listed on any Schedule or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award to be applied to the prompt replacement, repair, restoration, modification or improvement of that Equipment, unless Lessee shall have exercised its option to purchase that Equipment pursuant to Section 5.04. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee.

Section 7.03. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement referred to in Section 7.02, Lessee shall either complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, unless Lessee, pursuant to Section 5.04, purchases Lessor's interest in the Equipment destroyed, damaged or taken and any other Equipment listed in the same Schedule. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing Lessor's interest in the Equipment shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefore from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE VIII. DISCLAIMER OF WARRANTIES; VENDOR'S WARRANTIES; USE OF THE EQUIPMENT

Section 8.01. Disclaimer of Warranties. LESSEE HAS SELECTED THE EQUIPMENT AND THE VENDORS. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE EQUIPMENT, OR WARRANTY OR REPRESENTATION WITH RESPECT THERETO. In no event shall Lessor be liable for an incidental, indirect, special or consequential damage in connection with or arising out of this Agreement or the existence, furnishing, functioning or Lessee's use of any item or products or service provided for in this Agreement.

Section 8.02. Vendor's Warranties. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee shall not be in default hereunder, to assert from time to time whatever claims and rights, including warranties of the Equipment, which Lessor may have against the Vendor of the Equipment. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the Vendor of the Equipment, and not against Lessor, nor shall such matter have any effect, whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made no representation or warranties whatsoever as to the existence or availability of such warranties of the Vendor of the Equipment.

Section 8.03. Use of the Equipment. Lessee will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each item of the Equipment) with all laws of the jurisdictions in which its operations involving any item of Equipment may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the items of the Equipment; provided, however, that Lessee may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Lessor, adversely affect the title of Lessor in and to any of the items of the Equipment or its interest or rights under this Agreement.

Section 8.04. Essential Nature of the Equipment. Lessee confirms and affirms that the Equipment is essential to the function of Lessee and the services provided to its citizens, that there is an immediate need for the Equipment which is not temporary or expected to diminish in the foreseeable future, and that Lessee will use substantially all the Equipment for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.

ARTICLE IX. ASSIGNMENT, SUBLEASING, INDEMNIFICATION, MORTGAGING AND SELLING

Section 9.01. Assignment by Lessor. Lessor's interest in, to, and under this Agreement; any Lease and the Equipment may be assigned and reassigned in whole or in part to one or more assignees by Lessor at any time subsequent to its execution. Lessee hereby agrees to maintain a written record of each such assignment in form necessary to comply with Section 149(a) of the Code. No such assignment shall be binding on Lessee until it has received written notice from Lessor of the assignment disclosing the name and address of the assignee. Lessee agrees to execute all documents, including chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interests in the Equipment and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may from time to time have against Lessor.

Section 9.02. Assignment and Subleasing by Lessee. None of Lessee's interest in, to and under this Agreement and in the Equipment may be sold, assigned, subleased, pledged or otherwise encumbered by Lessee without the prior written consent of Lessor.

Section 9.03. Release and Indemnification Covenants. To the extent permitted by law, Lessee shall indemnify, protect, hold harmless, save and keep harmless Lessor from and against any and all liabilities, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and all expenses in connection therewith (including, without limitation, counsel fees and expenses, penalties connected therewith imposed on interest received) arising out of or as (a) result of the entering into of this Agreement, (b) the ownership of any item of the Equipment, (c) the manufacture, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) or any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or death to any person, and/or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

ARTICLE X. EVENTS OF DEFAULT AND REMEDIES

Section 10.01. Events of Default Defined. Subject to the provisions of Section 4.05, any of the following events shall constitute an "Event of Default" under any Lease:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid under that Lease at the time specified in that Lease;
- (b) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed under that Lease, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;
- (c) Any statement, representation or warranty made by Lessee in or pursuant to that Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;
- (d) Any provision of that Lease shall at any time for any reason cease to be valid and binding on Lessee, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee shall deny that it has any further liability or obligation under that Lease.
- (e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or
- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 10.02. Remedies on Default. Whenever any Event of Default under any Lease exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) By written notice to Lessee, declare all Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term to be due;
- (b) With or without terminating that Lease, Lessor may, upon 5 days written notice to Lessee, enter the premises where any Equipment that is subject to that Lease is located and retake possession of that Equipment or require Lessee at Lessee's expense to promptly return any or all of the Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease the Equipment or, for the account of Lessee, sublease the Equipment, continuing to hold Lessee liable for the difference between (i) the Rental Payments and other amounts payable by Lessee under that Lease plus the then-applicable Purchase Option Price for that Equipment and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing the Equipment and all brokerage, auctioneers' and attorneys' fees) provided that the amount of Lessee's liability under this subparagraph (b) shall not exceed the Rental Payments and other amounts otherwise due under that Lease plus the remaining Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term; and
- (c) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under that Lease or as the owner of any or all of the Equipment that is subject to that Lease.

In addition, whenever an Event of Default exists with respect to any Rental Payment required by a particular Schedule or with respect to any other payment, covenant, condition, agreement, statement, representation or warranty set forth in that Schedule or applicable to that Schedule or the Equipment listed therein, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (d) By written notice to Lessee, Lessor may declare all Rental Payments payable by Lessee pursuant to that Schedule and other amounts payable by Lessee under this Agreement to the end of the then current Original Term or Renewal Term to be due;
- (e) With or without terminating that Schedule, Lessor may, upon 5 days written notice to Lessee, enter the premises where the Equipment listed in that Schedule is located and retake possession of that Equipment or require Lessee at Lessee's expense to promptly return any or all of that Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease that Equipment or, for the account of Lessee, sublease that Equipment, continuing to hold Lessee liable for the difference between (i) the Rental Payments payable by Lessee pursuant to that Schedule and other amounts related to that Schedule or the Equipment listed therein that are payable by Lessee hereunder plus the then applicable Purchase Option Price for that Equipment, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all brokerage, auctioneers' and attorneys' fees) provided that the amount of Lessee's liability under this subparagraph (e) shall not exceed the Rental Payments and other amounts otherwise due under that Schedule plus the remaining Rental Payments and other amounts payable by Lessee under that Schedule to the end of the then current Original Term or Renewal Term; and
- (f) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under that Schedule, this Agreement with respect to that Schedule and the Equipment listed therein.

In addition to the remedies specified above, Lessor may charge interest on all amounts due to it at the rate of 10% per annum or the maximum amount permitted by law, whichever is less. The exercise of any such remedies respecting any such Event of Default shall not relieve Lessee of any other liabilities under any other Schedules, this Agreement related to any other Schedule or the Equipment listed therein.

Section 10.03. No Remedy Exclusive. No remedy conferred upon or reserved to Lessor by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this lease. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by Lessor or its assignee.

Section 10.04. Agreement to Pay Attorneys' Fees and Expenses. If Lessee should default under any of the provisions hereof and Lessor should employ attorneys or incur other expenses for the collection of moneys or for the enforcement of performance or observance of any obligation or agreement on the part of Lessee contained in this Agreement, Lessee agrees, to the extent it is permitted by law to do so, that it will, if assessed by a court of competent jurisdiction, pay to Lessor the reasonable fees of those attorneys and other reasonable expenses so incurred by Lessor.

Section 10.05. Application of Moneys. Any net proceeds from the exercise of any remedy hereunder (after deducting all expenses of Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing Equipment and all brokerage, auctioneer's or attorney's fees) shall be applied as follows:

- (a) If such remedy is exercised solely with respect to a single Schedule, Equipment listed in that Schedule or rights under the Agreement related to that Schedule, then to amounts due pursuant to that Schedule and other amounts related to that Schedule or that Equipment.
- (b) If such remedy is exercised with respect to more than one Schedule, Equipment listed in more than one Schedule or rights under the Agreement related to more than one Schedule, then to amounts due pursuant to those Schedules pro rata.

WHEREAS, Lessee desires to lease from Lessor certain equipment described in the schedules to this Agreement, substantially in the form of Exhibit A hereto, that are executed from time to time by the parties hereto (such schedules are hereby incorporated herein and are hereinafter collectively referred to as the "Schedules", and the items of equipment leased to Lessee hereunder, together with all substitutions, proceeds, replacement parts, repairs, additions, attachments, accessories and replacements thereto, thereof or therefore, are hereinafter collectively referred to as the "Equipment") subject to the terms and conditions of and for the purposes set forth in this Agreement.

WHEREAS, the relationship between the parties shall be a continuing one and items of equipment may be added to or deleted from the Equipment from time to time by execution of additional Schedules by the parties hereto and as otherwise provided herein.

WHEREAS, Lessee is authorized under the constitution and laws of the State to enter into this Agreement for the purposes set forth herein.

NOW, THEREFORE, for and in consideration of the premises hereinafter contained, the parties hereby agree as follows:

ARTICLE I. REPRESENTATIONS, WARRANTIES AND COVENANTS OF LESSEE

Section 1.01. Lessee represents, covenants and warrants, for the benefit of Lessor and its assignees, as follows:

- (a) Lessee is a public body, corporate and politic, duly organized and existing under the Constitution and laws of the State.
- (b) Lessee will do or cause to be done all things necessary to preserve and keep in full force and affect its existence as a body corporate and politic. Lessee is a political subdivision of the State within the meaning of Section 103(a) of the Code or a constituted authority authorized to issue obligations on behalf of a state or local governmental unit within the meaning of the regulations promulgated pursuant to said Section of the Code.
- (c) Lessee has full power and authority under the Constitution and laws of the State to enter into this Agreement and the transactions contemplated hereby, and to perform all of its obligations hereunder.
- (d) Lessee has duly authorized the execution and delivery of this Agreement by proper action by its governing body at a meeting duly called, regularly convened and attended throughout by the requisite majority of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the enforceability of this Agreement.
- (e) Lessee has complied or will comply with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Equipment.
- (f) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing one or more essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee's authority and will not be used in a trade or business of any person or entity other than Lessee.
- (g) During the Lease Term, Lessee will annually provide Lessor with current financial statements, budgets, proof of appropriation for the ensuing fiscal year and such other financial information relating to the ability of Lessee to continue this Agreement as may be reasonably requested by Lessor.
- (h) The Equipment will have a useful life in the hands of Lessee that is substantially in excess of the Original Term and all Renewal Terms.
- (i) The Equipment is, and during the Lease Term will remain personal property and when subjected to use by the Lessee, will not be or become fixtures.
- (j) The Equipment is essential to the function of the Lessee and the services provided to its citizens, and will be used throughout the period that this Agreement is in force for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.
- (k) During the term of this Agreement, Lessee will not dispose of or sell any part of the Equipment.
- (l) Lessee has not terminated a lease, rental agreement, installment purchase contract, or any other such agreement in the past five (5) years as a result of insufficient funds being appropriated for payments due under such an agreement.
- (m) This Agreement constitutes the legal, valid and binding obligation of Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.
- (n) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof.
- (o) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current fiscal year to make the Rental Payments scheduled to come due during the current fiscal year and to meet its other obligations under this Agreement for the current fiscal year, and such funds have not been expended for other purposes.
- (p) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting Lessee, nor to the best knowledge of Lessee is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Agreement or any other document, agreement or certificate which is used or contemplated for use in the consummation of the transactions contemplated by this Agreement or materially adversely affect the financial condition or properties of Lessee.
- (q) All authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by Lessee of this Agreement or in connection with the carrying out by Lessee of its obligations hereunder have been obtained.
- (r) The entering into and performance of this Agreement or any other document or agreement contemplated hereby to which Lessee is or is to be a party will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance on any assets of Lessee or the Equipment pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement or other instrument to which Lessee is a party or by which it or its assets may be bound, except as herein provided.

ARTICLE III. LEASE TERM

Section 3.01. Lease of Equipment. Lessor hereby demises, leases and lets to Lessee, and Lessee rents, leases and hires from Lessor, the Equipment listed in each Schedule in accordance with this Agreement and that Schedule for the Lease Term for the Lease of which that Schedule is a part. The Lease Term for each Lease may be continued at the end of the Original Term or any Renewal Term for an additional Renewal Term; provided, however, that at the end of the Original Term and at the end of each Renewal Term, Lessee shall be deemed to have continued that Lease for the next Renewal Term unless Lessee shall have terminated that Lease pursuant to **Section 4.05** or **Section 5.04**. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the Schedules. Lessor hereby covenants to provide Lessee during the Lease Term with quiet use and enjoyment of the Equipment, and Lessee shall during the Lease Term peaceably and quietly have and hold and enjoy the Equipment, without suit, trouble or hindrance from Lessor, except as expressly set forth in this Agreement.

Section 3.02. Continuation of Lease Term. Lessee currently intends, subject to **Section 4.05**, to continue the Lease Term for each Lease through the Original Term and all of the Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the Lease Term for each Lease can be obtained. The responsible financial officer of Lessee shall do all things lawfully within his or her power to obtain and maintain funds from which the Rental Payments may be made, including making provision for the Rental Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of Lessee and to exhaust all available reviews and appeals in the event such portion of the budget is not approved. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds or to extend a Lease for any Renewal Term is solely within the discretion of the then current governing body of Lessee.

Section 3.03. Return of Equipment on Termination. Upon expiration or earlier termination of any Schedule under any provision of this Agreement at a time when Lessee does not exercise its option to purchase the Equipment described in that Schedule under the provisions of this Agreement, Lessee shall deliver, at Lessee's expense, the Equipment described in that Schedule to Lessor in the same condition as existed at the Commencement Date, ordinary wear and tear expected, packaged or otherwise prepared in a manner suitable by shipment by truck or rail common carrier at a location specified by Lessor.

Section 3.04. Conditions to Lessor's Performance under Schedules. As a prerequisite to the performance by Lessor of any of its obligations pursuant to the execution and delivery of any Schedule, Lessee shall deliver to Lessor the following:

- (a) A Lessee Resolution executed by the Clerk or Secretary or other comparable officer of Lessee, in substantially the form attached hereto as Exhibit B, completed to the satisfaction of Lessor;
- (b) An Opinion of Counsel to Lessee in substantially the form attached hereto as Exhibit C respecting such Schedule and otherwise satisfactory to Lessor;
- (c) All documents, including financing statements, affidavits, notices and similar instruments, in form satisfactory to Lessor, which Lessor deems necessary or appropriate at that time;
- (d) Such other items, if any, as are set forth in such Schedule or are reasonably required by Lessor.

This Agreement is not a commitment by Lessor to enter into any Schedule not currently in existence, and nothing in this Agreement shall be construed to impose any obligation upon Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion.

Lessee will cooperate with Lessor in Lessor's review of any proposed Schedule. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.

ARTICLE IV. RENTAL PAYMENTS

Section 4.01. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of Lessee.

Section 4.02. Payment of Rental Payments. Lessee shall pay Rental Payments, from any and all legally available funds, in lawful money of the United States of America, exclusively to Lessor or, in the event of assignment by Lessor, to its assignee, in the amounts and on the dates set forth in each Schedule. Rental Payments shall be in consideration for Lessee's use of the Equipment during the applicable year in which such payments are due. The Rental Payments will be payable without notice or demand at the office of Lessor (or such other place as Lessor may from time to time designate in writing). If any Rental Payment or other sum payable under any Schedule is not paid when due, Lessee shall pay to Lessor accrued interest on such delinquent amount from the date due thereof until paid at the lesser of 18% or the maximum rate allowed by law. In the event that it is determined that any of the interest

components of Rental Payments may not be excluded from gross income for purposes of federal income taxation, Lessee agrees to pay to Lessor promptly after any such determination and on the date of each Rental Payment thereafter an additional amount determined by Lessor to compensate Lessor for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive absent manifest error.

Section 4.03. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. Each Schedule will set forth the interest component and the principal component of each Rental Payment during the Lease Term.

Section 4.04. Rental Payments to be Unconditional. The obligations of Lessee to make payment of the Rental Payments required under this Article IV and other sections hereof, and to perform and observe the covenants and agreements contained herein, shall be absolute and unconditional in all events, except as expressly provided under this Agreement. Notwithstanding any dispute between Lessee and Lessor, any Vendor or any other dispute between Lessee and Lessor, any Vendor or any other person, Lessee shall make all payments of Rental Payments when due and shall not withhold any Rental Payments pending final resolution of such dispute, nor shall Lessee assert any right of set-off or counterclaim against its obligation to make such payments required under this Agreement. Lessee's obligation to make Rental Payments during the Original Term or the then-current Renewal Term for each Schedule shall not be abated through accident or unforeseen circumstances.

Section 4.05. Non appropriation. Lessee is obligated only to pay such Rental Payments under this Agreement (and any additional amounts due hereunder, if applicable) as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current fiscal year. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under a Lease following the then current Original Term or Renewal Term, that Lease shall be deemed terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver written notice to Lessor of such termination at least 60 days prior to the end of the then current Original Term or Renewal Term, but failure to give such written notice shall not extend the term beyond such Original Term or Renewal Term.

ARTICLE V. TITLE TO EQUIPMENT; SECURITY INTEREST; OPTION TO PURCHASE

Section 5.01. Title to the Equipment. Upon acceptance of the Equipment by Lessee, title to the Equipment and any and all additions, repairs, replacements or modifications shall vest in Lessee, subject to the rights of Lessor under this Agreement; provided that title to the Equipment that is subject to any Lease shall thereafter immediately and without any action by Lessee vest in Lessor, and Lessee shall immediately surrender possession of that Equipment to Lessor, upon (a) any termination of that Lease other than termination pursuant to Section 5.04, or (b) the occurrence of an Event of Default with respect to that Lease. It is the intent of the parties hereto that any transfer of title to Lessor pursuant to this Section shall occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. Lessee shall, nevertheless, execute and deliver any such instruments as Lessor may request to evidence such transfer.

Section 5.02. Security Interest. To secure the payment of all Lessee's obligations under this Agreement, Lessee grants to Lessor a security interest constituting a first lien on (i) the Equipment and on all additions, attachments, accessions, that are considered to be an integral part of the equipment, and substitutions thereto, and on any proceeds there from, and (ii) the acquisition fund established under any Escrow Agreement entered into in connection therewith. Lessee agrees to execute such additional documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. Lessee hereby authorizes the filing of financing statements under the Uniform Commercial Code in connection with the security interest granted hereunder.

Section 5.03. Personal Property. Lessor and Lessee agree that the Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

Section 5.04. Option to Purchase. Lessee shall have the option to purchase Lessor's interest in all (but not less than all) of the Equipment described in any Schedule, upon giving written notice to Lessor at least 60 (but not more than 180) days before the date of purchase, at the following times and upon the following terms:

- (a) On the date of the last Rental Payment set forth in that Schedule (assuming this Agreement is renewed at the end of the Original Term and each Renewal Term), if the Agreement is still in effect on such day, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus One Dollar;
- (b) On the last day of the Original Term or any Renewal Term then in effect, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus the then applicable Purchase Option Price set forth in that Schedule; or
- (c) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in that Schedule on the day specified in Lessee's written notice to Lessor of its exercise of the purchase option upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule, including, without limitation, interest accrued to the date of payment, plus the then applicable Purchase Option Price set forth in that Schedule.

ARTICLE VI. DELIVERY, MAINTENANCE; MODIFICATION; TAXES; INSURANCE AND OTHER CHARGES

Section 6.01. Delivery, Installation and Acceptance of Equipment. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the locations specified in the Schedules and pay any and all delivery and installation costs in connection therewith. When the Equipment listed in any Schedule has been delivered and installed, Lessee shall immediately accept such Equipment and evidence said acceptance by executing and delivering to Lessor an Acceptance Certificate in the form attached hereto as Exhibit D.

Section 6.02. Location; Inspection. Once installed, no item of the Equipment will be moved from the location specified for it in the Schedule on which that item is listed without Lessor's consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 6.03. Maintenance of Equipment by Lessee. Lessee agrees that at all times during the Lease Term Lessee will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment in good repair, working order and condition, and that Lessee will from time to time make or cause to be made all necessary and proper repairs, replacements and renewals. Lessor shall have no responsibility in any of these matters, or for the making of improvements or additions to the Equipment. Lessee shall not make material modifications to the Equipment without the prior consent of Lessor.

Section 6.04. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all liens, charges and encumbrances except those created by this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and, therefore, that the Equipment will be exempt from all taxes presently assessed and levied with respect to personal property. In the event that the use, possession or acquisition of the Equipment is found to be subject to taxation in any form (except for income taxes of Lessor), Lessee will pay, as the same respectively come due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Equipment and any equipment or other property acquired by Lessee in substitution for, as a renewal or replacement of, or a modification, improvement or addition to the Equipment, as well as all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment; provided that, with respect to any governmental charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as have accrued during the Lease Term. Lessee will take no action that will cause the interest portion of any Rental payment to become includable in gross income of the recipient for purposes of federal income taxation under the Code, and Lessee will take, and will cause its officers, employees and agents to take, all affirmative action legally within its power to prevent such interest from being includable in gross income for purposes of federal income taxation under the Code.

Lessee acknowledges that Lessor's yield with respect to this Agreement is dependent upon the interest component of each Rental Payment being excluded from Lessor's income pursuant to the Code.

Section 6.05. Provisions Regarding Insurance. At its own expense, Lessee shall maintain (a) casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required

by Lessor, in an amount at least equal to the replacement cost of the Equipment, (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self-insure against the risks described in clauses (a) and (b); provided further that, if Lessor provides such consent Lessee shall provide to Lessor information with respect to such self-insurance program as Lessor may request from time to time. All insurance proceeds from casualty losses shall be payable as hereinafter provided. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term. All such casualty and liability insurance shall be with insurers that are acceptable to Lessor, shall name Lessor as a loss payee and an additional insured, respectively, and shall contain a provision to the effect that such insurance shall not be canceled or modified materially without first giving written notice thereof to Lessor at least 30 days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor as their respective interests may appear.

Section 6.06. Advances. In the event Lessee shall fail to maintain the full insurance coverage required by this Agreement or shall fail to keep the Equipment in good repair and operating condition, Lessor may (but shall be under no obligation to) purchase the required insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefore by Lessor shall constitute additional rent for the then-current Original Term or Renewal Term, and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the date advanced until paid at the rate of 18% per annum or the maximum interest rate permitted by law, whichever is less.

ARTICLE VII. DAMAGE, DESTRUCTION AND CONDEMNATION: USE OF NET PROCEEDS

Section 7.01. Risk of Loss. Lessee is responsible for the entire risk of loss of or damage or destruction to the Equipment. No such loss, damage or destruction shall relieve Lessee of any obligation under this Agreement or any Lease.

Section 7.02. Damage, Destruction and Condemnation. If (a) the Equipment listed on any Schedule or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award to be applied to the prompt replacement, repair, restoration, modification or improvement of that Equipment, unless Lessee shall have exercised its option to purchase that Equipment pursuant to Section 5.04. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee.

Section 7.03. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement referred to in Section 7.02, Lessee shall either complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, unless Lessee, pursuant to Section 5.04, purchases Lessor's interest in the Equipment destroyed, damaged or taken and any other Equipment listed in the same Schedule. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing Lessor's interest in the Equipment shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefore from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE VIII. DISCLAIMER OF WARRANTIES; VENDOR'S WARRANTIES; USE OF THE EQUIPMENT

Section 8.01. Disclaimer of Warranties. LESSEE HAS SELECTED THE EQUIPMENT AND THE VENDORS. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE EQUIPMENT, OR WARRANTY OR REPRESENTATION WITH RESPECT THERETO. In no event shall Lessor be liable for an incidental, indirect, special or consequential damage in connection with or arising out of this Agreement or the existence, furnishing, functioning or Lessee's use of any item or products or service provided for in this Agreement.

Section 8.02. Vendor's Warranties. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee shall not be in default hereunder, to assert from time to time whatever claims and rights, including warranties of the Equipment, which Lessor may have against the Vendor of the Equipment. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the Vendor of the Equipment, and not against Lessor, nor shall such matter have any effect, whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made no representation or warranties whatsoever as to the existence or availability of such warranties of the Vendor of the Equipment.

Section 8.03. Use of the Equipment. Lessee will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each item of the Equipment) with all laws of the jurisdictions in which its operations involving any item of Equipment may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the items of the Equipment; provided, however, that Lessee may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Lessor, adversely affect the title of Lessor in and to any of the items of the Equipment or its interest or rights under this Agreement.

Section 8.04. Essential Nature of the Equipment. Lessee confirms and affirms that the Equipment is essential to the function of Lessee and the services provided to its citizens, that there is an immediate need for the Equipment which is not temporary or expected to diminish in the foreseeable future, and that Lessee will use substantially all the Equipment for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.

ARTICLE IX. ASSIGNMENT, SUBLEASING, INDEMNIFICATION, MORTGAGING AND SELLING

Section 9.01. Assignment by Lessor. Lessor's interest in, to, and under this Agreement; any Lease and the Equipment may be assigned and reassigned in whole or in part to one or more assignees by Lessor at any time subsequent to its execution. Lessee hereby agrees to maintain a written record of each such assignment in form necessary to comply with Section 149(a) of the Code. No such assignment shall be binding on Lessee until it has received written notice from Lessor of the assignment disclosing the name and address of the assignee. Lessee agrees to execute all documents, including chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interests in the Equipment and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may from time to time have against Lessor.

Section 9.02. Assignment and Subleasing by Lessee. None of Lessee's interest in, to and under this Agreement and in the Equipment may be sold, assigned, subleased, pledged or otherwise encumbered by Lessee without the prior written consent of Lessor.

Section 9.03. Release and Indemnification Covenants. To the extent permitted by law, Lessee shall indemnify, protect, hold harmless, save and keep harmless Lessor from and against any and all liabilities, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and all expenses in connection therewith (including, without limitation, counsel fees and expenses, penalties connected therewith imposed on interest received) arising out of or as (a) result of the entering into of this Agreement, (b) the ownership of any item of the Equipment, (c) the manufacture, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) or any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or death to any person, and/or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

ARTICLE X. EVENTS OF DEFAULT AND REMEDIES

Section 10.01. Events of Default Defined. Subject to the provisions of **Section 4.05**, any of the following events shall constitute an "Event of Default" under any Lease:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid under that Lease at the time specified in that Lease;
- (b) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed under that Lease, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;
- (c) Any statement, representation or warranty made by Lessee in or pursuant to that Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;
- (d) Any provision of that Lease shall at any time for any reason cease to be valid and binding on Lessee, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee shall deny that it has any further liability or obligation under that Lease.
- (e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or
- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 10.02. Remedies on Default. Whenever any Event of Default under any Lease exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) By written notice to Lessee, declare all Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term to be due;
- (b) With or without terminating that Lease, Lessor may, upon 5 days written notice to Lessee, enter the premises where any Equipment that is subject to that Lease is located and retake possession of that Equipment or require Lessee at Lessee's expense to promptly return any or all of the Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease the Equipment or, for the account of Lessee, sublease the Equipment, continuing to hold Lessee liable for the difference between (i) the Rental Payments and other amounts payable by Lessee under that Lease plus the then-applicable Purchase Option Price for that Equipment and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing the Equipment and all brokerage, auctioneers' and attorneys' fees) provided that the amount of Lessee's liability under this subparagraph (b) shall not exceed the Rental Payments and other amounts otherwise due under that Lease plus the remaining Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term; and
- (c) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under that Lease or as the owner of any or all of the Equipment that is subject to that Lease.

In addition, whenever an Event of Default exists with respect to any Rental Payment required by a particular Schedule or with respect to any other payment, covenant, condition, agreement, statement, representation or warranty set forth in that Schedule or applicable to that Schedule or the Equipment listed therein, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (d) By written notice to Lessee, Lessor may declare all Rental Payments payable by Lessee pursuant to that Schedule and other amounts payable by Lessee under this Agreement to the end of the then current Original Term or Renewal Term to be due;
- (e) With or without terminating that Schedule, Lessor may, upon 5 days written notice to Lessee, enter the premises where the Equipment listed in that Schedule is located and retake possession of that Equipment or require Lessee at Lessee's expense to promptly return any or all of that Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease that Equipment or, for the account of Lessee, sublease that Equipment, continuing to hold Lessee liable for the difference between (i) the Rental Payments payable by Lessee pursuant to that Schedule and other amounts related to that Schedule or the Equipment listed therein that are payable by Lessee hereunder plus the then applicable Purchase Option Price for that Equipment, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all brokerage, auctioneers' and attorneys' fees) provided that the amount of Lessee's liability under this subparagraph (e) shall not exceed the Rental Payments and other amounts otherwise due under that Schedule plus the remaining Rental Payments and other amounts payable by Lessee under that Schedule to the end of the then current Original Term or Renewal Term; and
- (f) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under that Schedule, this Agreement with respect to that Schedule and the Equipment listed therein.

In addition to the remedies specified above, Lessor may charge interest on all amounts due to it at the rate of 10% per annum or the maximum amount permitted by law, whichever is less. The exercise of any such remedies respecting any such Event of Default shall not relieve Lessee of any other liabilities under any other Schedules, this Agreement related to any other Schedule or the Equipment listed therein.

Section 10.03. No Remedy Exclusive. No remedy conferred upon or reserved to Lessor by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this lease. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by Lessor or its assignee.

Section 10.04. Agreement to Pay Attorneys' Fees and Expenses. If Lessee should default under any of the provisions hereof and Lessor should employ attorneys or incur other expenses for the collection of moneys or for the enforcement of performance or observance of any obligation or agreement on the part of Lessee contained in this Agreement, Lessee agrees, to the extent it is permitted by law to do so, that it will, if assessed by a court of competent jurisdiction, pay to Lessor the reasonable fees of those attorneys and other reasonable expenses so incurred by Lessor.

Section 10.05. Application of Moneys. Any net proceeds from the exercise of any remedy hereunder (after deducting all expenses of Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing Equipment and all brokerage, auctioneer's or attorney's fees) shall be applied as follows:

- (a) If such remedy is exercised solely with respect to a single Schedule, Equipment listed in that Schedule or rights under the Agreement related to that Schedule, then to amounts due pursuant to that Schedule and other amounts related to that Schedule or that Equipment.
- (b) If such remedy is exercised with respect to more than one Schedule, Equipment listed in more than one Schedule or rights under the Agreement related to more than one Schedule, then to amounts due pursuant to those Schedules pro rata.

- (d) Lessee has duly authorized the execution and delivery of this Agreement by proper action by its governing body at a meeting duly called, regularly convened and attended throughout by the requisite majority of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the enforceability of this Agreement.
- (e) Lessee has complied or will comply with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Equipment.
- (f) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing one or more essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee's authority and will not be used in a trade or business of any person or entity other than Lessee.
- (g) During the Lease Term, Lessee will annually provide Lessor with current financial statements, budgets, proof of appropriation for the ensuing fiscal year and such other financial information relating to the ability of Lessee to continue this Agreement as may be reasonably requested by Lessor.
- (h) The Equipment will have a useful life in the hands of Lessee that is substantially in excess of the Original Term and all Renewal Terms.
- (i) The Equipment is, and during the Lease Term will remain personal property and when subjected to use by the Lessee, will not be or become fixtures.
- (j) The Equipment is essential to the function of the Lessee and the services provided to its citizens, and will be used throughout the period that this Agreement is in force for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.
- (k) During the term of this Agreement, Lessee will not dispose of or sell any part of the Equipment.
- (l) Lessee has not terminated a lease, rental agreement, installment purchase contract, or any other such agreement in the past five (5) years as a result of insufficient funds being appropriated for payments due under such an agreement.
- (m) This Agreement constitutes the legal, valid and binding obligation of Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.
- (n) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof.
- (o) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current fiscal year to make the Rental Payments scheduled to come due during the current fiscal year and to meet its other obligations under this Agreement for the current fiscal year, and such funds have not been expended for other purposes.
- (p) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting Lessee, nor to the best knowledge of Lessee is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Agreement or any other document, agreement or certificate which is used or contemplated for use in the consummation of the transactions contemplated by this Agreement or materially adversely affect the financial condition or properties of Lessee.
- (q) All authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by Lessee of this Agreement or in connection with the carrying out by Lessee of its obligations hereunder have been obtained.
- (r) The entering into and performance of this Agreement or any other document or agreement contemplated hereby to which Lessee is or is to be a party will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance on any assets of Lessee or the Equipment pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement or other instrument to which Lessee is a party or by which it or its assets may be bound, except as herein provided.

ARTICLE III. LEASE TERM

Section 3.01. Lease of Equipment. Lessor hereby demises, leases and lets to Lessee, and Lessee rents, leases and hires from Lessor, the Equipment listed in each Schedule in accordance with this Agreement and that Schedule for the Lease Term for the Lease of which that Schedule is a part. The Lease Term for each Lease may be continued at the end of the Original Term or any Renewal Term for an additional Renewal Term; provided, however, that at the end of the Original Term and at the end of each Renewal Term, Lessee shall be deemed to have continued that Lease for the next Renewal Term unless Lessee shall have terminated that Lease pursuant to **Section 4.05** or **Section 5.04**. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the Schedules. Lessor hereby covenants to provide Lessee during the Lease Term with quiet use and enjoyment of the Equipment, and Lessee shall during the Lease Term peaceably and quietly have and hold and enjoy the Equipment, without suit, trouble or hindrance from Lessor, except as expressly set forth in this Agreement.

Section 3.02. Continuation of Lease Term. Lessee currently intends, subject to **Section 4.05**, to continue the Lease Term for each Lease through the Original Term and all of the Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the Lease Term for each Lease can be obtained. The responsible financial officer of Lessee shall do all things lawfully within his or her power to obtain and maintain funds from which the Rental Payments may be made, including making provision for the Rental Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of Lessee and to exhaust all available reviews and appeals in the event such portion of the budget is not approved. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds or to extend a Lease for any Renewal Term is solely within the discretion of the then current governing body of Lessee.

Section 3.03. Return of Equipment on Termination. Upon expiration or earlier termination of any Schedule under any provision of this Agreement at a time when Lessee does not exercise its option to purchase the Equipment described in that Schedule under the provisions of this Agreement, Lessee shall deliver, at Lessee's expense, the Equipment described in that Schedule to Lessor in the same condition as existed at the Commencement Date, ordinary wear and tear expected, packaged or otherwise prepared in a manner suitable by shipment by truck or rail common carrier at a location specified by Lessor.

Section 3.04. Conditions to Lessor's Performance under Schedules. As a prerequisite to the performance by Lessor of any of its obligations pursuant to the execution and delivery of any Schedule, Lessee shall deliver to Lessor the following:

- (a) A Lessee Resolution executed by the Clerk or Secretary or other comparable officer of Lessee, in substantially the form attached hereto as Exhibit B, completed to the satisfaction of Lessor;
- (b) An Opinion of Counsel to Lessee in substantially the form attached hereto as Exhibit C respecting such Schedule and otherwise satisfactory to Lessor;
- (c) All documents, including financing statements, affidavits, notices and similar instruments, in form satisfactory to Lessor, which Lessor deems necessary or appropriate at that time;
- (d) Such other items, if any, as are set forth in such Schedule or are reasonably required by Lessor.

This Agreement is not a commitment by Lessor to enter into any Schedule not currently in existence, and nothing in this Agreement shall be construed to impose any obligation upon Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion.

Lessee will cooperate with Lessor in Lessor's review of any proposed Schedule. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.

ARTICLE IV. RENTAL PAYMENTS

Section 4.01. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of Lessee.

Section 4.02. Payment of Rental Payments. Lessee shall pay Rental Payments, from any and all legally available funds, in lawful money of the United States of America, exclusively to Lessor or, in the event of assignment by Lessor, to its assignee, in the amounts and on the dates set forth in each Schedule. Rental Payments shall be in consideration for Lessee's use of the Equipment during the applicable year in which such payments are due. The Rental Payments will be payable without notice or demand at the office of Lessor (or such other place as Lessor may from time to time designate in writing). If any Rental Payment or other sum payable under any Schedule is not paid when due, Lessee shall pay to Lessor accrued interest on such delinquent amount from the date due thereof until paid at the lesser of 18% or the maximum rate allowed by law. In the event that it is determined that any of the interest

components of Rental Payments may not be excluded from gross income for purposes of federal income taxation, Lessee agrees to pay to Lessor promptly after any such determination and on the date of each Rental Payment thereafter an additional amount determined by Lessor to compensate Lessor for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive absent manifest error.

Section 4.03. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. Each Schedule will set forth the interest component and the principal component of each Rental Payment during the Lease Term.

Section 4.04. Rental Payments to be Unconditional. The obligations of Lessee to make payment of the Rental Payments required under this Article IV and other sections hereof, and to perform and observe the covenants and agreements contained herein, shall be absolute and unconditional in all events, except as expressly provided under this Agreement. Notwithstanding any dispute between Lessee and Lessor, any Vendor or any other dispute between Lessee and Lessor, any Vendor or any other person, Lessee shall make all payments of Rental Payments when due and shall not withhold any Rental Payments pending final resolution of such dispute, nor shall Lessee assert any right of set-off or counterclaim against its obligation to make such payments required under this Agreement. Lessee's obligation to make Rental Payments during the Original Term or the then-current Renewal Term for each Schedule shall not be abated through accident or unforeseen circumstances.

Section 4.05. Non appropriation. Lessee is obligated only to pay such Rental Payments under this Agreement (and any additional amounts due hereunder, if applicable) as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current fiscal year. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under a Lease following the then current Original Term or Renewal Term, that Lease shall be deemed terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver written notice to Lessor of such termination at least 60 days prior to the end of the then current Original Term or Renewal Term, but failure to give such written notice shall not extend the term beyond such Original Term or Renewal Term.

ARTICLE V. TITLE TO EQUIPMENT; SECURITY INTEREST; OPTION TO PURCHASE

Section 5.01. Title to the Equipment. Upon acceptance of the Equipment by Lessee, title to the Equipment and any and all additions, repairs, replacements or modifications shall vest in Lessee, subject to the rights of Lessor under this Agreement; provided that title to the Equipment that is subject to any Lease shall thereafter immediately and without any action by Lessee vest in Lessor, and Lessee shall immediately surrender possession of that Equipment to Lessor, upon (a) any termination of that Lease other than termination pursuant to Section 5.04, or (b) the occurrence of an Event of Default with respect to that Lease. It is the intent of the parties hereto that any transfer of title to Lessor pursuant to this Section shall occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. Lessee shall, nevertheless, execute and deliver any such instruments as Lessor may request to evidence such transfer.

Section 5.02. Security Interest. To secure the payment of all Lessee's obligations under this Agreement, Lessee grants to Lessor a security interest constituting a first lien on (i) the Equipment and on all additions, attachments, accessions, that are considered to be an integral part of the equipment, and substitutions thereto, and on any proceeds there from, and (ii) the acquisition fund established under any Escrow Agreement entered into in connection therewith. Lessee agrees to execute such additional documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. Lessee hereby authorizes the filing of financing statements under the Uniform Commercial Code in connection with the security interest granted hereunder.

Section 5.03. Personal Property. Lessor and Lessee agree that the Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

Section 5.04. Option to Purchase. Lessee shall have the option to purchase Lessor's interest in all (but not less than all) of the Equipment described in any Schedule, upon giving written notice to Lessor at least 60 (but not more than 180) days before the date of purchase, at the following times and upon the following terms:

- (a) On the date of the last Rental Payment set forth in that Schedule (assuming this Agreement is renewed at the end of the Original Term and each Renewal Term), if the Agreement is still in effect on such day, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus One Dollar;
- (b) On the last day of the Original Term or any Renewal Term then in effect, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus the then applicable Purchase Option Price set forth in that Schedule; or
- (c) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in that Schedule on the day specified in Lessee's written notice to Lessor of its exercise of the purchase option upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule, including, without limitation, interest accrued to the date of payment, plus the then applicable Purchase Option Price set forth in that Schedule.

ARTICLE VI. DELIVERY, MAINTENANCE; MODIFICATION; TAXES; INSURANCE AND OTHER CHARGES

Section 6.01. Delivery, Installation and Acceptance of Equipment. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the locations specified in the Schedules and pay any and all delivery and installation costs in connection therewith. When the Equipment listed in any Schedule has been delivered and installed, Lessee shall immediately accept such Equipment and evidence said acceptance by executing and delivering to Lessor an Acceptance Certificate in the form attached hereto as Exhibit D.

Section 6.02. Location; Inspection. Once installed, no item of the Equipment will be moved from the location specified for it in the Schedule on which that item is listed without Lessor's consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 6.03. Maintenance of Equipment by Lessee. Lessee agrees that at all times during the Lease Term Lessee will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment in good repair, working order and condition, and that Lessee will from time to time make or cause to be made all necessary and proper repairs, replacements and renewals. Lessor shall have no responsibility in any of these matters, or for the making of improvements or additions to the Equipment. Lessee shall not make material modifications to the Equipment without the prior consent of Lessor.

Section 6.04. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all liens, charges and encumbrances except those created by this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and, therefore, that the Equipment will be exempt from all taxes presently assessed and levied with respect to personal property. In the event that the use, possession or acquisition of the Equipment is found to be subject to taxation in any form (except for income taxes of Lessor), Lessee will pay, as the same respectively come due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Equipment and any equipment or other property acquired by Lessee in substitution for, as a renewal or replacement of, or a modification, improvement or addition to the Equipment, as well as all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment; provided that, with respect to any governmental charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as have accrued during the Lease Term. Lessee will take no action that will cause the interest portion of any Rental payment to become includable in gross income of the recipient for purposes of federal income taxation under the Code, and Lessee will take, and will cause its officers, employees and agents to take, all affirmative action legally within its power to prevent such interest from being includable in gross income for purposes of federal income taxation under the Code. Lessee acknowledges that Lessor's yield with respect to this Agreement is dependent upon the interest component of each Rental Payment being excluded from Lessor's income pursuant to the Code.

Section 6.05. Provisions Regarding Insurance. At its own expense, Lessee shall maintain (a) casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required

by Lessor, in an amount at least equal to the replacement cost of the Equipment, (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self-insure against the risks described in clauses (a) and (b); provided further that, if Lessor provides such consent Lessee shall provide to Lessor information with respect to such self-insurance program as Lessor may request from time to time. All insurance proceeds from casualty losses shall be payable as hereinafter provided. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term. All such casualty and liability insurance shall be with insurers that are acceptable to Lessor, shall name Lessor as a loss payee and an additional insured, respectively, and shall contain a provision to the effect that such insurance shall not be canceled or modified materially without first giving written notice thereof to Lessor at least 30 days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor as their respective interests may appear.

Section 6.06. Advances. In the event Lessee shall fail to maintain the full insurance coverage required by this Agreement or shall fail to keep the Equipment in good repair and operating condition, Lessor may (but shall be under no obligation to) purchase the required insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefore by Lessor shall constitute additional rent for the then-current Original Term or Renewal Term, and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the date advanced until paid at the rate of 18% per annum or the maximum interest rate permitted by law, whichever is less.

ARTICLE VII. DAMAGE, DESTRUCTION AND CONDEMNATION: USE OF NET PROCEEDS

Section 7.01. Risk of Loss. Lessee is responsible for the entire risk of loss of or damage or destruction to the Equipment. No such loss, damage or destruction shall relieve Lessee of any obligation under this Agreement or any Lease.

Section 7.02. Damage, Destruction and Condemnation. If (a) the Equipment listed on any Schedule or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award to be applied to the prompt replacement, repair, restoration, modification or improvement of that Equipment, unless Lessee shall have exercised its option to purchase that Equipment pursuant to Section 5.04. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee.

Section 7.03. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement referred to in Section 7.02, Lessee shall either complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, unless Lessee, pursuant to Section 5.04, purchases Lessor's interest in the Equipment destroyed, damaged or taken and any other Equipment listed in the same Schedule. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing Lessor's interest in the Equipment shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefore from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE VIII. DISCLAIMER OF WARRANTIES; VENDOR'S WARRANTIES; USE OF THE EQUIPMENT

Section 8.01. Disclaimer of Warranties. LESSEE HAS SELECTED THE EQUIPMENT AND THE VENDORS. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE EQUIPMENT, OR WARRANTY OR REPRESENTATION WITH RESPECT THERETO. In no event shall Lessor be liable for an incidental, indirect, special or consequential damage in connection with or arising out of this Agreement or the existence, furnishing, functioning or Lessee's use of any item or products or service provided for in this Agreement.

Section 8.02. Vendor's Warranties. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee shall not be in default hereunder, to assert from time to time whatever claims and rights, including warranties of the Equipment, which Lessor may have against the Vendor of the Equipment. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the Vendor of the Equipment, and not against Lessor, nor shall such matter have any effect, whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made no representation or warranties whatsoever as to the existence or availability of such warranties of the Vendor of the Equipment.

Section 8.03. Use of the Equipment. Lessee will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each item of the Equipment) with all laws of the jurisdictions in which its operations involving any item of Equipment may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the items of the Equipment; provided, however, that Lessee may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Lessor, adversely affect the title of Lessor in and to any of the items of the Equipment or its interest or rights under this Agreement.

Section 8.04. Essential Nature of the Equipment. Lessee confirms and affirms that the Equipment is essential to the function of Lessee and the services provided to its citizens, that there is an immediate need for the Equipment which is not temporary or expected to diminish in the foreseeable future, and that Lessee will use substantially all the Equipment for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.

ARTICLE IX. ASSIGNMENT, SUBLEASING, INDEMNIFICATION, MORTGAGING AND SELLING

Section 9.01. Assignment by Lessor. Lessor's interest in, to, and under this Agreement; any Lease and the Equipment may be assigned and reassigned in whole or in part to one or more assignees by Lessor at any time subsequent to its execution. Lessee hereby agrees to maintain a written record of each such assignment in form necessary to comply with Section 149(a) of the Code. No such assignment shall be binding on Lessee until it has received written notice from Lessor of the assignment disclosing the name and address of the assignee. Lessee agrees to execute all documents, including chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interests in the Equipment and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may from time to time have against Lessor.

Section 9.02. Assignment and Subleasing by Lessee. None of Lessee's interest in, to and under this Agreement and in the Equipment may be sold, assigned, subleased, pledged or otherwise encumbered by Lessee without the prior written consent of Lessor.

Section 9.03. Release and Indemnification Covenants. To the extent permitted by law, Lessee shall indemnify, protect, hold harmless, save and keep harmless Lessor from and against any and all liabilities, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and all expenses in connection therewith (including, without limitation, counsel fees and expenses, penalties connected therewith imposed on interest received) arising out of or as (a) result of the entering into of this Agreement, (b) the ownership of any item of the Equipment, (c) the manufacture, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) or any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or death of any person, and/or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

ARTICLE X. EVENTS OF DEFAULT AND REMEDIES

Section 10.01. Events of Default Defined. Subject to the provisions of **Section 4.05**, any of the following events shall constitute an "Event of Default" under any Lease:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid under that Lease at the time specified in that Lease;
- (b) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed under that Lease, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;
- (c) Any statement, representation or warranty made by Lessee in or pursuant to that Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;
- (d) Any provision of that Lease shall at any time for any reason cease to be valid and binding on Lessee, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee shall deny that it has any further liability or obligation under that Lease.
- (e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or
- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 10.02. Remedies on Default. Whenever any Event of Default under any Lease exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) By written notice to Lessee, declare all Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term to be due;

1. In General.

1.1. This Certificate is executed for the purpose of establishing the reasonable expectations of Lessee as to future events regarding the financing of certain equipment by Lessee as described in the Schedule of Equipment No. 01, dated 5/15/2020 to Master Equipment Lease Purchase Agreement dated as of 5/15/2020 (the "Lease") between Lessor and Lessee and all related documents executed pursuant thereto and contemporaneously herewith with respect to the financing of the acquisition of Purvis Station Alert System Including: Two (2) Station Control Units , Two (2) Audio/Relay Expansion Modules with Related Equipment and Hardware of equipment (the "Equipment") by Lessor for Lessee (the Lease and such other documents are hereinafter collectively referred to as the "Financing Documents").

1.2. The individual executing this Certificate on behalf of Lessee is an officer of Lessee delegated with the responsibility of reviewing and executing the Financing Documents.

1.3. To the best of the undersigned's knowledge, information and belief, the expectations contained in this Certificate are reasonable.

1.4. Lessee has not been notified of any listing or proposed listing of it by the Internal Revenue Service as an issuer whose certifications as to arbitrage may not be relied upon.

1.5. The rental payments due under the Financing Documents will be made with monies retained in Lessee's general operating fund (or an account or sub account therein). No sinking, debt service, reserve or similar fund or account will be maintained for the payment of the rental payments due under the Financing Documents or pledged as security therefor.

1.6. If any other governmental obligations were or are being issued by or on behalf of Lessee within fifteen (15) days of the date of issuance of the Financing Documents, such obligations either (i) were not or are not being issued or sold pursuant to a common plan of financing with, or (ii) will not be paid out of substantially the same source of funds as, the financing pursuant to the Financing Documents.

2. Purpose of the Financing Documents.

2.1. The Financing Documents are being entered into for the purpose of providing funds for financing the cost of acquiring, equipping and installing the Equipment which is essential to the governmental functions of Lessee, which Equipment is described in the Equipment Description executed and delivered by Lessee pursuant to the Financing Documents. The principal amount represented by the Financing Documents, or \$113,445.00 will be deposited in escrow by Lessor at closing and held by Community First National Bank, as Escrow Agent (the "Escrow Agent") pending acquisition of the Equipment under the terms of that certain Escrow Agreement dated as of 5/15/2020 (the "Escrow Agreement"), by and among Lessor, Lessee and Escrow Agent.

2.2. No portion of the principal amount represented by the Financing Documents will be used as a substitute for other funds which were otherwise to be used as a source of financing for the Equipment, or will be used, directly or indirectly, to replace funds used by Lessee to acquire investments which produce a yield materially higher than the yield to Lessor under the Financing Documents.

2.3. Lessee does not expect to sell or otherwise dispose of the Equipment, in whole or in part, at a date which is earlier than the final rental payment due under the Financing Documents.

3. Source and Disbursement of Funds.

3.1. The principal amount represented by the Financing Documents does not exceed the amount necessary for the governmental purpose for which the Financing Documents were entered into. Such funds are expected to be needed and fully expended for payment of the costs of acquiring, equipping and installing the items of Equipment.

3.2. It is contemplated that the entire amount deposited in escrow will be used to pay the acquisition cost of Equipment to the vendors or manufacturers thereof, provided that a portion of the principal amount may be paid to Lessee within such period as reimbursement for Acquisition Costs already made by it so long as the conditions set forth in Section 3.3 below are satisfied.

3.3. Lessee shall not request that it be reimbursed for Equipment acquisition cost payments already made by it unless the following conditions have been satisfied:

(a) Lessee made a declaration of its reasonable intention to reimburse the acquisition cost payment sought to be reimbursed with the proceeds of a borrowing not later than sixty (60) days after the date on which it made the payment, which declaration satisfies the "Official Intent Requirement" set forth in Treas. Reg. Sec. 1.150-2;

(b) The reimbursement being requested will be made by written allocation before the later of eighteen (18) months after the acquisition cost payment was made or eighteen (18) months after the items of Equipment to which such payment relates were placed in service;

(c) The entire payment with respect to which reimbursement is being sought is a capital expenditure, being a cost of type properly chargeable to a capital account under general federal income tax principles; and

(d) Lessee will use any reimbursement payment for general operating expenses and not in a manner which could be construed as an artifice or device under Treas. Reg. Sec. 1.148-10 by, virtue of, among other things, use to refund, or to create or increase a sinking, reserve or replacement fund with respect to, any other obligations issued by it.

4. Temporary Period.

4.1. Lessee expects, within six months from the date of issuance of the Financing Documents, (a) to have had disbursed from escrow an amount in excess of the lesser 2 1/2% of the amount deposited by Lessor in escrow or \$100,000, or (b) to enter into binding obligations with third parties obligating Lessee to spend such amount.

4.2. The ordering and acceptance of the items of Equipment will proceed with due diligence to the date of final acceptance of the Equipment.

4.3. The items of Equipment being acquired by Lessee will be delivered at various times. At least 15% of the sum of the amount deposited in escrow and the reasonably anticipated interest earnings thereon will be used to pay the acquisition price of items of Equipment within six months from the date of issuance of the Financing Documents; at least 60% of the sum of the amount deposited in escrow and the reasonably anticipated interest earnings thereon will be used to pay the acquisition cost of items of Equipment within 12 months from the date of issuance of the Financing Documents; and 100% of the amount deposited in escrow and interest earnings thereon will be used to pay the acquisition cost of items of Equipment prior to 18 months from the date of issuance of the Financing Documents.

4.4. The total acquisition cost of the Equipment is not required to be paid to the vendors or manufacturers thereof until the Equipment has been accepted by Lessee.

5. Escrow Account.

5.1. The Financing Documents provide that the monies deposited in escrow shall be invested until payments to the vendor(s) or manufacturer(s) of the Equipment are due. Lessee will ensure that such investment will not result in Lessee's obligations under the Financing Documents being treated as an "arbitrage bond" or a "federally guaranteed bond" within the meaning of Section 148(a) or Section 149(b) of the Internal Revenue Code of 1986, as amended (the "Code"), respectively. Any monies which are earned from the investment of these funds shall be labeled as interest earned. All such monies will be disbursed on or promptly after the date that Lessee accepts the equipment.

6. Exempt Use.

6.1. No part of the proceeds of the Financing Documents or the Equipment will be used in any "private business use" within the meaning of Section 141(b)(6) of the Internal Revenue Code of 1986, as amended.

6.2. No part of the proceeds of the Financing Documents will be used, directly or indirectly, to make or finance any loans to non-governmental entities or to any governmental agencies other than Lessee.

7. No Federal Guarantee.

7.1. Payment of the principal or interest due under the Financing Documents is not directly or indirectly guaranteed, in whole or in part, by the United States or an agency or instrumentality thereof.

7.2. No portion of the proceeds under the Financing Documents shall be (i) used in making loans, the payment of principal or interest of which are to be guaranteed, in whole or in part, by the United States or any agency or instrumentality thereof, or (ii) invested, directly or indirectly, in federally insured deposits or accounts if such investment would cause the financing under the Financing Documents to be federally guaranteed within the meaning of Section 149(b) of the Code.

8. Miscellaneous.

8.1. Lessee agrees to comply with the rebate requirement set forth in Section 148(f) of the Code in the event that for any reason it is applicable to the financing pursuant to Financing Documents.

8.2. Lessee shall keep a complete and accurate record of all owners or assignees of the Financing Documents in form and substance satisfactory to comply with Section 149(a) of the Code unless Lessor or its assignee agrees to act as Lessee's agent for such purpose.

8.3. Lessee shall maintain complete and accurate records establishing the expenditure of the proceeds of the Financing Documents and interest earnings thereon for a period of five years after payment in full under the Financing Documents.

IN WITNESS WHEREOF, this Tax Compliance Agreement and No Arbitrage Certificate has been executed on behalf of Lessee as of the date set forth below.

**MEMORANDUM OF UNDERSTANDING
REGARDING IN-KIND CONTRIBUTION OF LAND OFFSETTING
FIRE DISTRICT IMPACT FEES**

This Memorandum of Understanding (this "MOU") is entered into on May 26, 2021, by and between **WELLINGTON FIRE PROTECTION DISTRICT**, a quasi-municipal corporation and political subdivision of the State of Colorado (the "District"), and **SH HOLDINGS HWY 1, LLC**, a Colorado limited liability company (the "Owner"), (the District and the Owner may be referred to herein individually as a "Party" or collectively as the "Parties").

RECITALS

WHEREAS, the District is a Title 32 fire protection district authorized to collect impact fees pursuant to §§ 32-1-1002(1)(d.5) & 29-20-104.5, C.R.S. and an Intergovernmental Agreement between the District and the Town of Wellington, a Colorado municipal corporation, ("Town") permitting the collection of District impact fees within the municipal boundaries of the Town (the "IGA"), a copy of which IGA is attached as **EXHIBIT A**, incorporated herein by this reference; and

WHEREAS, the Owner is engaged in developing certain real property that is or will be annexed into the Town; and

WHEREAS, the Owner has offered an in-kind donation of land in exchange for offsetting the cost of District residential impact fees within the Current Developments (defined below); and

WHEREAS, the District has identified, through discussions with Owner, a parcel within the Current Developments, which could serve as the future site of a fire station that would serve the public interest and protect the health, safety, and welfare of District citizens ("In Kind Parcel"); and

WHEREAS, the District has identified an adjoining parcel, which could serve as the future site of additional District infrastructure and the Owner has agreed to grant the District a first option to purchase the adjoining parcel within a designated time period ("Option Parcel").

NOW, THEREFORE, in consideration for the mutual promises contained herein, and other good and valuable consideration, which is hereby acknowledged, the Parties agree as follows:

- 1. DEVELOPMENT PROJECTS.** The Owner, and affiliates of Owner, own certain real property that is either already within the Town or will be annexed into the Town for purposes of developing the property. For purposes of this MOU, the Owner, or affiliates of Owner, own parcels included in the following approved subdivision developments: (i) Sage Meadows Subdivision, according to the plat recorded on February 16, 2018 at Reception Number 20180009840 ("Sage Meadows First Filing"); (ii) Columbine Estates according to the plat recorded on February 28, 2003 at Reception Number 2003-0025009, Phase 2A ("Columbine Estates, Phase 2A"); (iii) Columbine Estates according to the plat recorded on February 28, 2003 at Reception Number 2003-0025009, Phase 2B ("Columbine Estates, Phase 2B"); and, (iv) Sage Meadows Second Subdivision Filing, with final plat recordation pending as of the date of this MOU (collectively the "Current Developments"). The obligations of Owner and the District are conditioned upon satisfaction of the following on or before the Closing Date: (A)

recordation of the Plat of Sage Meadows Second Subdivision in final form approved by the Town ("Second Subdivision"); and, (B) recordation of a Second Amendment to Memorandum of Agreement for Public Improvements in final form approved by the Town ("Sage Meadows Subdivision") ("Amended MAPI").

2. **IN-KIND CONTRIBUTION.** The IGA permits the collection of District impact fees on the Current Developments at the time a building permit is applied for with the Town. In lieu of the Owner paying the cash value of the applicable District residential impact fees on the Current Developments, the District and the Owner have agreed that the value of an in-kind contribution of land suitable for a future fire station could offset the amount of required District residential impact fees which would otherwise be collected by the District from the Owner at the time the Owner applies for a building permit for any of the Current Developments. The Owner has proposed an in-kind contribution of real property consisting of 2 acres more or less within the Current Developments, known as Outlot A and as further identified in the attached **EXHIBIT B**, which is incorporated herein by this reference, along with two water taps for the property ("In-Kind Contribution"). The Parties agree that a fair market value of the In-Kind Contribution is estimated at \$600,000 (Six Hundred Thousand Dollars) and the estimated District residential impact fees for the Current Developments are at least \$600,000 (Six Hundred Thousand Dollars), of which approximately **\$213,720 (Two Hundred-Thirteen Thousand, Seven Hundred Twenty Dollars)** have already been paid to the District. As partial consideration for the In-Kind Contribution, the District will make four (4) annual payments of **\$53,430 (Fifty-Three Thousand Four Hundred Thirty Dollars)**, beginning on September 15, 2021, with the final payment due on September 15, 2024, to offset the District residential impact fees already paid by the Owner (collectively, the "Annual Payments"). The remainder of the value of the In-Kind Contribution represents sufficient consideration to offset up to **\$386,280 (Three Hundred Eighty-Six Thousand Two Hundred Eighty Dollars)** in District residential impact fees for the Current Developments. The Owner has agreed that the District's waiver of up to, but not to exceed, **\$386,280 (Three Hundred Eighty-Six Thousand Two Hundred Eighty Dollars)** in District residential impact fees for the Current Developments represents sufficient consideration for the remaining value of the In-Kind Contribution, after subtracting the Annual Payments. The District and Owner shall, in good faith, complete the In-Kind Contribution by recordation of a Special Warranty Deed, and memorialize the credit for District residential impact fees assessed against the Owner for the Current Developments and inform the Town of this credit. District residential impact fees that would be incurred by the Owner for the Current Developments shall be credited up to, but not exceed, the agreed upon value of **\$386,280 (Three Hundred Eighty-Six Thousand Two Hundred Eighty Dollars)** ("Impact Fee Credit").

3. **IMPACT FEES.** In lieu of the District collecting future District residential impact fees from the Owner pursuant to the Impact Fee Schedule of the IGA, District residential impact fees for the Current Developments shall be calculated in accordance with the IGA and credited against the value of the Impact Fee Waiver. The District shall memorialize the Impact Fee Credit within its records to comport with the requirements of the IGA that sufficient value was collected from the In-Kind Contribution to offset the cash value of the required District residential impact fees by executing a waiver and acknowledgement that will be submitted with the building permit application. A form of such waiver and acknowledgement is attached hereto as **EXHIBIT C**, incorporated herein by this reference.

4. **SUBDIVISION COVENANTS.** The District recognizes that the In-Kind Contribution is within the Second Subdivision. However, the Parties agree that the In-Kind Contribution will not be subject to the any covenants and declarations including the Declaration of Protective Covenants, Conditions and Restrictions for Sage Meadows Subdivision (a Common Interest Planned Community) recorded July 24, 2018 at Reception Number 20180044967 ("Declaration"). The Owner agrees that the In-Kind Contribution will not be annexed into the Sage Meadows Subdivision and subjected to the Declaration.
5. **NON-POTABLE SYSTEM.** The Declaration provides for the installation and maintenance of a non-potable landscape irrigation system for the Sage Meadows Subdivision ("Non-Potable System"). The Sage Meadows Subdivision is subject to the Memorandum of Agreement for Public Improvements Sage Meadows Subdivision recorded February 16, 2018 at Reception Number 20180009848 ("MAPI"), as may be amended by the Amended MAPI. The Declaration and the MAPI provide that the Non-Potable System will be owned and maintained by the Sage Meadows of Wellington HOA, Inc., a Colorado nonprofit corporation ("Association").

The In-Kind Contribution will not be annexed into the Sage Meadows Subdivision and subjected to the Declaration. The foregoing notwithstanding, the District may elect, at the District's sole cost and expense, to negotiate a non-potable water use agreement with the Association. The District acknowledges that the District will need to negotiate a non-potable water agreement with the Association for exterior landscaping non-potable water before the District is entitled to connect any irrigation improvements to the Non-Potable System. If the District is able to negotiate a non-potable water use agreement with the Association, the District will limit its use of the Non-Potable System for irrigation purposes only and not for District training, firefighting operations, or fire suppression purposes. The District is responsible for all costs and expenses of negotiation and obtaining a non-potable water use agreement with the Association, the cost of installing a non-potable system on the In-Kind Contribution property, and the cost of connecting such irrigation system to the Non-Potable System subject to the terms of the Declaration and the MAPI.

6. **OPTION PARCEL.** In addition, the Parties have mutually agreed that the District shall be offered a first option to purchase ("First Option") the parcel adjoining the In-Kind Contribution, known as Outlot B consisting of approximately 2 acres ("Outlot B"). The First Option will be memorialized by a separate written agreement between the Parties in the form attached hereto as **Exhibit D**. The Parties agree that the essential terms of the First Option shall reflect an agreed upon purchase price for Outlot B of \$500,000 (Five Hundred Thousand Dollars) paid in good funds at closing, and that the option must be exercised on or before September 15, 2024 and provide for a closing within one hundred twenty (120) days of option exercise; provided, however, the District's right to exercise the First Option is conditioned on the prior payment in full to Owner of all Annual Payments.
7. **CLOSING.** A closing for the conveyance of the In-Kind Contribution from Owner to the District will be scheduled with Land Title Guarantee Company on or before September 15, 2021. The date and time of closing will be scheduled based on a mutual agreement of the Parties. The closing documents will consist of: (i) an executed statutory Special Warranty Deed for the In-Kind Contribution; (ii) an executed First Option; (iii) recordation of the Second Subdivision plat

and recordation of the Amended MAPI; and (iv) reasonable and customary documents required by Land Title for real estate closings in Northern Colorado. Land Title will handle the recording of the Special Warranty Deed and the memorandum of First Option. The District and the Owner will each pay one-half of the Land Title closing fee and one-half the premium for an Owner's Title Insurance Policy; provided, however, the District will pay the cost of any requested title insurance endorsements and the cost of Owner's Extended Coverage. The parties shall use commercially reasonable efforts to execute this MOU on or before June 15, 2021.

8. **ALTERNATIVE DISPUTE RESOLUTION.** In the event of any dispute or claim arising under or related to this MOU, the Parties shall use their best efforts to settle such dispute or claim through good faith negotiations with each other. If such dispute or claim is not settled through negotiations within thirty (30) days after the earliest date on which one party notifies the other party in writing of its desire to attempt to resolve such dispute or claim through negotiations, then the Parties agree to attempt in good faith to settle such dispute or claim by mediation conducted under the auspices of the Judicial Arbitrator Group (JAG) of Denver, Colorado or, if JAG is no longer in existence, or if the Parties agree otherwise, then under the auspices of a recognized, established mediation service within the State of Colorado. Such mediation shall be conducted within sixty (60) days following either party's written request therefore. If such dispute or claim is not settled through mediation, then either party may initiate a civil action in the local District Court of Larimer County.
9. **TERM AND TERMINATION.** This MOU shall commence upon execution and shall terminate by mutual agreement of the Parties upon Owner exhausting the Impact Fee Credit for the Current Developments, and the District paying the Owner the Annual Payments commencing on September 15, 2021 with the final payment due on September 15, 2024 for a total payment of **\$213,720 (Two Hundred Thirteen Thousand Seven Hundred Twenty Dollars)**. Termination of this MOU shall have no impact on the executed First Option.
10. **TABOR.** All financial obligations of the District under this MOU are contingent upon annual appropriation, budgeting, and availability of specific funds to discharge such obligations. Nothing in this MOU shall be deemed to create a debt or multiple fiscal year financial obligation of the District, a pledge of the credit of the District, or a collection or payment guarantee by the District.
11. **NOTICES.** Any notice required or permitted by this MOU shall be in writing and shall be deemed to have been sufficiently given for all purposes if sent by certified or registered mail, postage and fees prepaid, addressed to the party to whom such notice is intended to be given at the address set forth below or otherwise provided by either party in writing. Such notice shall be deemed to have been given when deposited in the U.S. Mail, or when delivered electronically, read-receipt requested and received by the sending party.

Any person other than the Parties to this MOU who or which receive services or benefits under this MOU shall be only an incidental beneficiary.

WHEREAS, the District, on an annual basis, imposed a general operations mill levy and maintained its revenues in accordance with the limitations of both TABOR and the 5.5% Limitation; and

WHEREAS, on November 7, 1995, the District's voters approved a "de-Brucing" question which allowed the District to collect and expend all revenues and other funds despite the revenue limitations imposed by TABOR and the 5.5% Limitation (the "**de-Brucing Question**"); and

WHEREAS, on July 30, 1999, the Colorado Attorney General issued AGO #99-5 opining that a voter approved question like the de-Brucing Question does relieve the District of the revenue restrictions imposed by both TABOR and the 5.5% Limitation; and

WHEREAS, in 2000, the District's general operations mill levy was set at 7.109 mills and imposed on an assessed valuation of \$33,471,830.00 resulting in \$237,951.00 in tax revenue; and

WHEREAS, on May 2, 2000, the District's voters approved a general operations tax levy increase of 2.300 mills, which allowed the District to impose a tax levy of no more than 9.409 mills (the "**Mill Levy Limitation**"); and

WHEREAS, in tax years 2001, 2009, and in each year thereafter, the District mistakenly imposed a general operations mill levy which surpassed the Mill Levy Limitation, resulting in the collection of an extra \$885,810.00 in tax revenues, as outlined in the attached **Exhibit A** (the "**Excess Revenues**"); and

WHEREAS, the District became aware of this mistake in 2014 and desires to correct this error through the tax refund process provided under TABOR (the "**Tax Refund**"); and

WHEREAS, TABOR permits the District to accomplish the Tax Refund through "...any reasonable method...including rate reductions;" and

WHEREAS, the District's top priority is the public health, safety and welfare and in an effort to

preserve the level of service the community has grown accustomed to, the District wishes to accomplish the Tax Refund through a gradual reduction in its general operations mill levy.

NOW, THEREFORE, be it resolved by the Board of Directors of the Wellington Fire Protection District that:

- (A) The District will certify a general operations mill levy of 9.409 mills less _____ mills in tax year 2015, and _____ mills in 2016, and _____ mills in 2017 and _____ mills in 2018 to achieve the entire Tax Refund in the shortest amount of time feasible without causing a substantial disruption in the quality of services provided within the District.
- (B) In 2019, it is the intent of the Board of Directors of the District to terminate the temporary tax reduction and return its general operations mill levy to 9.409 mills in accordance with Section 39-1-111.5, CRS.
- (C) The District's administrative staff is hereby directed to take all actions necessary or appropriate to effectuate the provisions of this Resolution.

Mr. Ken Petit, District Board President
Wellington Fire Protection District
8130 3rd St. /Box 10
Wellington, CO 80549

Dear District Board President Petit,

Anton Collins Mitchell LLP (“we” or “ACM”) was engaged as consultants to assist the Board of Directors of Wellington Fire Protection District (“WFPD”) in determining the propriety of the WFPD mill levy for the period 2001 through 2014.

Our engagement included inquiries of Chief Gary L. Green, Fire Chief of the Town of Wellington (“Chief Green”). ACM also evaluated certain financial information provided to us by Chief Green. Our engagement is intended to supplement information obtained by the Board of Directors of WFPD as a result of its investigation of the WFPD mill levy. We make no representations as to the sufficiency of our procedures relative to the Board of Directors of WFPD’s investigation.

Our engagement was performed in accordance with the statement on standards for consulting services established by the American Institute of Certified Public Accountants. The sufficiency of the procedures is solely the responsibility of the Board of Directors of WFPD and we make no representations regarding the sufficiency of the procedures for the purpose that this report was requested or for any other purpose.

Our work was limited by the time available, scope of engagement and incomplete access to information sources. Information furnished to us by Chief Green included unaudited financial data, management responses to inquiries and other data which was not audited by us, nor did we perform any other procedures, other than those specifically described herein, to verify the accuracy, reliability or completeness of the information. Accordingly, we make no representation as to the accuracy or reliability of the financial or other information presented.

You should recognize that an engagement of this nature and scope would not necessarily disclose all matters of operating or financial significance. If we had performed additional procedures or had we audited the information in accordance with generally accepted auditing standards, additional matters may have come to our attention that we would report to you. Also, we were not engaged to express an opinion on the effectiveness of WFPD’s internal control structure over the financial reporting or any part thereof, although certain of our procedures encompassed some part of that system.

We have no obligation to perform additional procedures or to update this report for developments after May 5, 2014.

Mr. Ken Petit, District Board President
Wellington Fire Protection District

ACM performed the following procedures at the WFPD's administrative office.

Latest Mill Levy Increase

ACM observed the following ballot issue/ballot question concerning the latest mill levy increase approved by the voters in May 2000:

“SHALL WELLINGTON FIRE PROTECTION DISTRICT TAXES BE INCREASED UP TO \$100,000 ANNUALLY (AND BY WHATEVER ADDITIONAL AMOUNTS ARE RAISED ANNUALLY THERAFTER) BY THE IMPOSITION OF A PROPERTY TAX OF NO MORE THAN 2.3 MILLS, COMMENCING IN THE TAX YEAR 2000 AND CONTINUING THERAFTER; THE REVENUES SHALL BE USED FOR ACQUIRING FIRE TRUCKS AND EQUIPMENT, EMERGENCY RESPONSE VEHICLES, STATIONS AND STATION ADDITIONS, PERSONNEL AND ANY OTHER EXPENDITURES CONSISTANT WITH PROVIDING THE COMMUNITY REASONABLE AND NECESSARY FIRE AND RESCUE SERVICES, AT THE DISCRETION OF THE ELECTED BOARD OF DIRECTORS AND IN ACCORDANCE WITH THE DISTRICT'S LONG RANGE PLANS?”

ACM observed a correspondence from WFPD dated December 9, 1999 from the then treasurer of WFPD, Kenneth Dillman, noting that the mill levy for budget year 2000 was 7.109 mills. Based upon the foregoing ballot issue/ballot question, ACM interprets that the mill levy for 2001 and subsequent years should not have exceeded 9.409 mills (7.109 mills + 2.3 mills).

Actual Assessed Valuation, Mill Levy and Property Tax

From the Larimer County Assessor website and/or Certifications of Tax Levies provided to ACM by Chief Green, ACM observed the actual assessed valuation, mill levy and property tax for budget years 2001 through 2014 and summarized this information in Exhibit 1.

Recomputed Mill Levy and Property Tax

Using the actual assessed valuations obtained above, ACM recomputed the property tax using the 9.409 mill levy rate noted above for budget years 2001 through 2014 and summarized this information in Exhibit 1.

Concluding Observations

Based upon ACM's interpretation ballot issue/question noted above, ACM has summarized in Exhibit 1, the property tax differences for budget years 2001 through 2014 between the actual property tax and the recomputed property tax, which indicates that the total property tax actually assessed exceeded the recalculated property tax (using 9.409 mills) by approximately \$890,000.

We look forward to the opportunity to review our observations with you and to respond to any questions that you may have.

Very truly yours,

Anton Collins Mitchell LLP

Good morning,

I found all the certifications dating back to 2014. I asked the county to send what they have to double check we both have the same information. The rebate value was deducted from the Revenue on the certifications, now we just have to figure out if that was translated to the budget on 2015, 2016, and 2017.

Here is what we have paid so far each year toward the rebate

Certification Year	Paid	Remaining
2014		\$ 885,100.00
2015	\$ 181,185.00	\$ 703,915.00
